

Myers to HOMA Adapter *SRA-125 to GRP12-19 series*

Use your existing Myers
check valve assembly

HOMA adapter for
connecting to an existing
Myers installation

Upgrade your existing
pump with a HOMA
GRP12-19 series pump

Quickly and effectively upgrade to a HOMA pump without the need to replace your Myers check valve assembly. Add a HOMA to Myers adapter and upgrade to a HOMA GRP12-19 series pump or a GRP10-50 series pump, with optional vertical discharge, for non-clog, reliable operation.
