ABSTRACT

This document will show where on the pump nameplate the pump model and serial number are displayed on both styles of HOMA nameplates.

**TYPE A**

**TYPE B**

Note: The nameplate displayed is for an FM rated pump

**Q.** How can I quickly identify the pump’s model and serial number?

**A.** On **TYPE A** nameplates, the pump’s model and serial number can be found on line 1, under the headings “Pump:” and “Sn:”

On **TYPE B** nameplates, the pump’s model and serial number can be found on lines 7 and 10, under the headings “PUMP” and “SR. NO.”
